FOREWORD

The future brings with it the promise of a new and coming air age. Now, in the midst of a World War, we realize what a great part modern air equipment is playing.

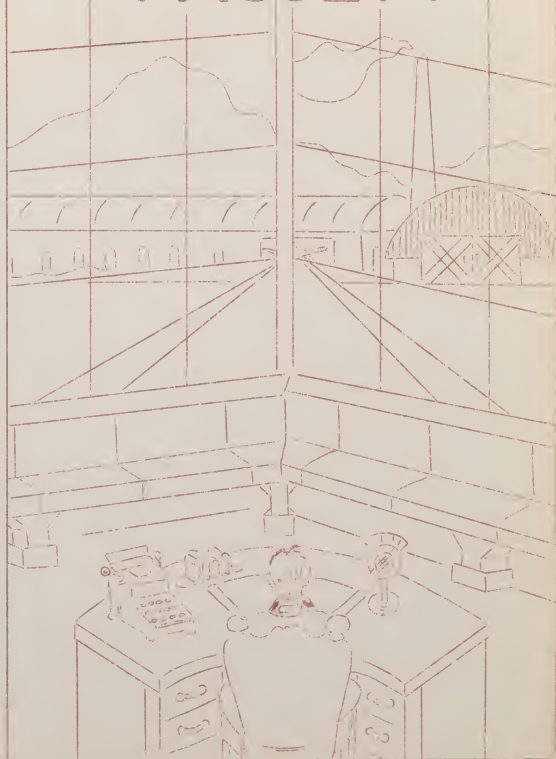

Likewise, after the war has been won and the peace has been made, modern air equipment will occupy an important role in the post-war world.

With this thought in mind, we, the staff of the Lowellian, have selected the "air age" as the dominant theme for our publication.

We, the class of '45, gratefully dedicate
this annual to those teachers who
have patiently stood by, mold-
ing the character of future
citizens who have passed
through the portals
of Lowell High.

SENIOR PROPHECY

On a bright and cheery morning in the year 1960, I hopped into my helicopter, and headed for Washington. I was going to see Secretary of the Navy, Betty Little, on official business.

At Grand Central Helicopter Station I signaled my desire to land. A cheery voice belonging to none other than Betty Trump, the girl who always had a smile in her voice, told me to "come ahead." As I got out of my ship, the skilled mechanics came dashing up to look it over. Guess who they were--Bill Cordrey and Herbert Hoeckleberg.

After recovering from my surprise at meeting so many old friends, I went out to the street to call a taxi. Another surprise awaited. The cab driver was Jack Riggs. Of course, Marcella Humpfer owns the whole fleet of cabs. Jack works because he loves to gossip with the people who ride in his cab! He even listened in on the gossip between Bob Spry and Betty Jo Stolle who now are playing Romeo and Juliet on the New York stage.

Now and then Jack said he even has the honor of taking in his humble cab, the Honorable Betty Larson, Speaker of the House of Representatives, and her partner in politics, Bob Shipman. "Of course", Jack says, "Betty being a woman bosses the works in this government." Bob did conceive the idea of sending all the Japs to the North Pole, in spite of that.

When I got to the office of Miss Little I found her private secretary to be Dorsey Chism. Miss Little was so glad to see me that she immediately extended an invitation to a party she was giving that very evening at the Duncan hotel. The hotel, of course, is owned by Boots Duncan.

When I arrived at the Duncan hotel, fashionably late as usual, I found Hershey Bahr all decked out in gold braid and a chocolate brown uniform and looking very distinguished indeed. I was informed in a whisper that he is now president of the new Hershey Candy Company. He always dresses that way to advertise his product.

I was escorted to the Mayfield Room where the party was being held. On the door was an "identifying sign." It was a picture of Ivan Mayfield, who is an admiral in the Merchant Marine.

The party was in full swing. Everyone who was anybody and more who weren't were there. Mildred Blanchard, the famous blues singer was doing her stuff to the tune of Paul Dierks' famous blues number, and accompanied by Patsy Cooper's band.

Hiding bashfully behind a pillar was Margery Ashton. She is the chief caterer of Washington society and always bosses the men from behind a pillar.

It was extremely warm in the Mayfield Room, due to the fact that Jack Quivey's ventilation system had gone on the "blink." I went outside for a bit of fresh air. On the street I found "Skinny" Curtis selling "Peeks at the Planets" for \$10.00. He is the very high class type you see. Peeking at the stars were Margaret Bailey and Clothiel Fredgill. They are so busy looking at the ground that they rarely see the stars. You see, they are gold miners!!

Since it was getting late, I decided to retire. I knew I would sleep very well because the bed was equipped with Dream-Proof mattress and Light-as-a-Dream sheets made by

The next morning I hopped into my itzy-bitsy helicopter and headed for San Francisco. I stopped off at Chicago to see Cleo Roy who runs the ice crushers on Lake Michigan. He has a contract with Dick Ready to build his boats. Dick, you know, became the famous Kaiser of 1960.

I also met Bob Brown and Kenneth Bussellberg in Chicago. They are the master farmers of Lake County and raise Super-Smeller Onions for Dave Keithley's onion dehydrating plant.

Also in Chicago are Ann Kudrock and Norma Lou Tremper. They are working for the Russian foreign office. It seems that they had a prominent place at the peace table after World War II.

After seeing all these important people I took up my flight. I intended to go directly to San Francisco, but bad weather brought me down at Kansas City. There, much to my surprise, I met Mary Hasse. It seems that she is an old-maid school teacher. She happened to be in Kansas City visiting Alice Widdel and Doris Sark who are now happily married to business men in the town.

When I flew over Pike's Peak I dropped down a few hundred feet to see a football game being played between the Shirley Clark's and Rose Mary Sauer's teams. They were playing on the only mountain peak gridiron in the world which belongs to Butts Alm and Buck Carstens.

I just simply had to see the new dam built by Leona Bales and Mary Beckmon, who are the up and coming engineers of the day. This new dam is located in Nevada, is named after our Secretary of the Interior, Bob Sharkey. The dam is a fitting monument to such a great man. An artist, well-known here and abroad is now engaged in painting the dam: his name is Donald Schreiber. Several other personalities now living in Nevada are Ardetta Love and Eva Hooley, famous divorce lawyers, and Leona Ellis, the only woman cattle rancher left in the West.

When I got San Francisco I was met by Jane Hayhurst, mayor of the city. She rushed me to the docks where I met Russell Zak. We conferred on official business before he and his fellow government employees left for China. The party included Forrest Wietbrock, Charles Walters, and Harold Walker. Lenore Woodke also was on the ship. She was going to India to learn the new Voo-Doo dances. With her was her bodyguard, former heavyweight champion, Richard Pear.

When this business was finished, I proceeded to have a fine time in 'Frisco. I met the great flyer, Joyce Hayden, back from a planet trip in her newly designed rocket ship. John Collins, Duane Childers, and Sally Miller of the Space Patrol escorted her back to the city.

In San Francisco I also found a flourishing new company which offered its services at a very low price. The company was composed of Dr. Robert Phillips, Undertaker Ted Theis, Tombstone Provider June Phillips, and Rev. Frank Childress. You can imagine what the company did!

I also found an efficient police force in 'Frisco under Capt. Spoon Paverty. Among his police men and women are Bonnie Mitch, Rosemary Meadows, Harriet Claussen, and Francis Hamilton. Lieutenant Rita Stark was away on a research trip to Alaska, where she was looking for polar bear skins to decorate Capt. Paverty's office.

Then I woke up.

SENIOR PLAY

"Janie"

by

Josephine Bentham and Herschel Williams

Directed by Doris Rose

"Janie," a three act comedy, was presented by the senior class, under the direction of Miss Doris Rose, to one of the largest crowds ever to be assembled in the auditorium.

"Janie" had the advantage of timeliness, as the scene was laid in a town near an army camp and the plot tells what happens when a cavalcade of exuberant young fellows in uniform meet a bevy of high school young ladies whose parents are the worrying type.

The fun starts in the Colburn household when Mrs. Lawrence (Patsy Cooper) a flirtatious young widow, arrives for a visit with her son, Dick, (Clayton Bahr) stationed at a nearby army camp. The doting mother hunted New Haven during Dick's two years at Yale, and bids fair to follow him even into the trenches, but is fortunately side-tracked by John Von Brunt, (Frank Childress) a susceptible bachelor who is also a guest of Lucile and Charles Colburn.

When Janie and Dick and a few of their friends get together for some innocent fun while their elders are dining at the country club, the party gets out of hand. The plot is complicated to a degree by Janie's seven-year-old sister, Elsbeth, (Betty Trump) an enterprising child with an inventive mind and a genius for making a nuisance of herself.

When the story opens, Charles Colburn (Russell Zak) returns from Washington where he tried to get a new press for his paper. He is a middle-aged man who sees himself as the master of his little world, but in reality can be talked into anything.

Lucile Colburn (Margaret Boiley) is an attractive, well-groomed woman of forty, pre-occupied with her various committees of war work. Rodney, (Robert Sharkey) the Colburn's colored houseman, and Teeno, his wife, (Rita Stork) provide many of the laughs.

Janie Colburn (Morgery Ashton) is sixteen; she is extremely pretty, has all the crazy charm of youth, and is a definite leader among her friends. Paula Rainey (Leona Ellis) is a pert, likeable girl of sixteen, who, coming from a good family tries to live it down. Paula and Mickie Malone, a sailor, (Robert Corstens) help liven up the play.

Bernadine Dodd (Joyce Hayden) and "Dead Ben" Hockett, (Ted Theis) provide many laughs with their antics. Scooper Nolon (Jack Quivey) is going to be a nice boy when he finally grows up, but he was greatly worried about Janie's apparent interest in Dick Lawrence. In the end Janie is again his girl.

Dick Lawrence (Clayton Bohr) is nineteen. He is tall, dark, and good-looking, and his uniform as a private in the U.S. Army adds to his appeal. He resents his mother's intrusion in his affairs and is very happy when Von Brunt side-tracks her.

Other characters are Hortense Bennington--Solly Miller, Andy Nevins--Charles Duncan, Frank Parker--Paul Dierks, Oscar Bassett--Forrest Wietbrock, Uncle Poodgie--Bob Shipmon, Joe Jerome--Dick Ready.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1998. The public sector has grown from 10% of the economy to 15% of the economy.

There are a number of reasons for this increase. One of the main reasons is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. The public sector is also becoming more efficient, and this is leading to a reduction in the number of people employed in the public sector. JUNIOR CLASS HISTORY

With the opening of school on September 5, 1944, eighty studious (?) juniors were roaming the halls.

As their leaders they chose Sally Little, president, with Dick Meyer to act as vice-president. Bill Peterson took the role of secretary and Virgil Ewer is financier.

Our first event as juniors was to sponsor a dance after the Crown Point football game. Then we attempted a roller skating party at Cedar Lake where everyone had loads of fun.

In sports, the juniors (that's us) won the hit pin tourney. Jane Kimmet was our captain. We did rather well, volley ball, for we beat the seniors.

Our major lettermen for basketball are Paul Norris and Arman Kasparian. This year Jack Schutz, Arman Kasparian and Joe Abraham received major letters in football. Bill Rust will receive a minor letter in both football and basketball.

In the Lowellian Contest it turned out that Joanne Albertson and Dick Meyer were best looking; Barbara Schneider and Roger Childress were most popular. Arman Kasparian and Sally Little are our best athletes, and Paul Norris and Norma Worley as most likely to succeed.

The Graves are a typical city family in moderate circumstances. Harry and Grace Graves have two children, Lois and Judy, the latter, at 13, having a confidante, Fluffy, an amazing capacity for food, and aspirations toward being the glamorous age of 16. With characteristic reasoning Judy decides that her father must be in love with Ellen, daughter of his boss, J. B. Curtis. In confidence with Fluffy, Judy decides that it is her duty to bring her father back into the family fold.

Judy also takes it upon herself to save Uncle Willis whom she had never seen until his unexpected arrival at her home on Christmas Eve.

The result of Judy's conniving ends in the love affair of Ellen and Uncle Willis. As the play ends Judy, unexpectedly, is no longer Lois' "kid sister" but Miss Judy Graves, a lovely Junior Miss.

SOPHOMORE CLASS HISTORY

Of our original one-hundred and nine members, only eighty-eight students reappeared in '44 to resume their task of learning. Our sponsors, Miss Rose, Miss Nolan, and Mr. Burger, capably supervised our activities. The class, politically inclined, elected Jim Shumaker, president; Jim Hall vice-president; and Dean Henry, secretary-treasurer.

The "Lowellian" contestants from the sophomore class were Phyllis Ready and Joe Villers, ranking as best athletes; Gladys Stasaitis and Jim Weaver, most popular; Marjorie Little and Jim Mitch, most likely to succeed; Barbara Bailey and Jim Shumaker, best looking.

The fellows who were sports minded last year continued in the athletic field, and those to receive minor letters in basketball were: Les Corten, Jim Weaver, Dick Winter, Gene Rust, John Tilton, Joe Villers, Jim Hall, Jim Shumaker, and Duke Kuiper. Dick Frahm won a minor letter in football.

Then, too, the girls kept up their interests in G.A.A. participation. The girls to join this year were Louise Bales, Caryl Bahr, Pearl Hamilton, Charlotte Harbrecht, Phyllis Kelsey, Eleanor Poppe, Ethel Roy, and Barbara Bailey.

The class was represented in the student Senate by Marjorie Little, Jim Mitch, Joe Villers, and John Black. The sophomores in the House were Gladys Stasaitis, Phyllis Ready, and Jim Shumaker.

This year, as a follow-up of last year's party Sheldon Miller invited the class to a hay-ride. A few of our more ambitious fellows helped the Scrap Paper Drive.

FRESHMAN CLASS HISTORY

With one hundred twenty-two students, the freshman class of 1944-45 started off with the bang of initiations. The senior girls gave the traditional big sister-little sister party which enabled the freshmen girls to become acquainted. Miss Burton's home room also gave an introductory party in order to help us get acquainted with one another.

Our sponsors, Miss Cook, Miss Baughman, Miss Burton, and Mrs. Fitch, helped us to learn the rules and regulations of the school.

From every home room a Sunshine Club member is elected and an alternate is chosen. Those selected from our class were: Lavonne Barker, Carolyn Hayhurst, Lois Little, and Harold Snyder. Our senators to Student Government were: Robert Coloney, Jay Doolittle, Richard Longenecker, and Ruth Vanco.

The pupils selected for class officers must have at least a C average, and the ability to be leaders. Our class president was Phyllis Sutton, vice-president, Albert Pattee, and secretary-treasurer, Jo Anne Taylor.

In the field of sports, the girls making enough points for G.A.A. were Romona Childers, Jo Anne Taylor, Phyllis Sutton, Pat Gross, Virginia Carroll, and Harriet Hoevet.

In our class, the girl and boy voted best-looking in the Lowellian contest were Ruth Vanco and Dick Jackson. Our most popular members were Jeanne Nelson and Bud Duncan. Betty Duncan and Tom Sharkey were voted our best athletes, while Virginia Borowski and Albert Pattee, our super-quiz kids, are most likely to succeed.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in all age groups, but the increase has been most marked in the young (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of young people with mental health problems. The Department of Health (1999) has published a strategy for mental health care for young people, which sets out the need to develop services that are appropriate to the needs of young people. The strategy also sets out the need to develop services that are accessible to young people, and that are based on a range of services, including community mental health teams, youth mental health teams, and specialist services for young people with severe mental health problems.

LOWELLETTE

The Lowellette serves as the L.H.S. Tribune and is published every two weeks.

It is put out by the Journalism classes and Mr. Ham's Vari-Typing classes. All the printing is done in the school.

Its four pages cover all the phases of school events during those two weeks. Feature articles, cartoons, sports and, of course, the local gossip column.

The "Lowellette" has steadily grown larger and in 41 it consisted of eight pages, but due to the paper shortage it is now only half that many.

The Lowellette started in October, 1934, under the title the "L Weekly" with Edwin VanNada as its first editor.

This year's staff consisted of Margaret Bailey, editor-in-chief; Betty Trump, news editor; Robert Carstens, feature editor; Bill Cordrey, sports editor; and Rosemary Sauer, exchange editor. Business manager was Paul Dierks, while Margery Ashton and Charles Duncan have charge of circulation. Miss Nolan, the journalism teacher, and Mr. Ham are the advisors.

Her assistants are: Patsy Cooper, activities editor; Betty Larson, snap-shot editor; Bob Carstens and Bill Cordrey are in charge of boys' sports while Alice Widdel takes care of girls' sports. Art editor is Betty Trump, while our business manager is Frank Childress, who is ably assisted by Betty Little. Miss Nolan and Mr. Ham are the advisors.

The "Lowellian" was organized in 1935 as an annual production of the senior class. It was edited under the sponsorship of Mr. Ham and Mr. Smith with Helen Dahl as its first editor.

Mr. Ham's typing classes have done all the typing and mimeographing and still continue to do so.

As in the past, Mr. Blankenberg took all of the pictures.

In 1940 the method of mounting the pictures and writing up the senior activities was changed under the editorship of Mary Angela Eich. 1941 brought forth Mary Jane Callahan as its editor. In 1945 Nancy Lou Spindler, in 1943 Betty Hudson, and last year Bob Ewer had this honor.

DISTINGUISHED AND HONORABLE MENTION STUDENTS

It's quite an honor to be either a distinguished or honorable mention student. To get on the distinguished list is the highest honor, and to achieve this a student must have an average of 3.5. Each grade is worth a certain number of points--A is four, B is three, C is two, D is one, and F and I are none. However, no one with a C on his card can be distinguished during that six weeks. A pin is awarded to a student when he is distinguished. He may keep the pin, if he is distinguished five times out of the six. Each year he is distinguished the required number of times, he gets an "L" for a year, "H" for a year and then "S". Then at the end of four years he has the complete pin.

To get on the Honorable Mention list, the student must have an average of 3.0.

BAND

The scholastic year 1944-1945 was officially started for the band by leading the Labor Day parade.

With the opening of school, the band personnel marched on the football field, working out routines for the home football games.

The annual Christmas Concert was planned for December 20 and the band undertook their portion of the program as a new project.

The concert program was opened by "The NC-4", "Mellow Moan", and "Military Band", a singing novelty, by the concert band.

The choral groups sang several selections and then combined to sing traditional carols accompanied by the brass quartette from the concert band.

On January 18, the band again performed when it took part in the "High School Parade" in a broadcast from our gymnasium over station W.J.O.B., Hammond.

Concert practice was held every day and soon the new objective was the spring concert. On April 18, the final showing came when a capacity crowd in the auditorium witnessed the results of weeks of practice.

The grade school band and choral groups assisted in presenting a very successful concert. Some of the selections played by the band were "Sanctuary of the Heart" by Ketelbey, the New Russian National Anthem, and among others, the "Intermezzo" from "Cavalleria Rusticana."

CHORAL GROUPS

The Girls' Glee Club, consisting of freshman girls, began at the first of the year to acquaint themselves with music, and learned to sing songs in parts.

At the Christmas concert they took part in the traditional carols and sang "Syncopated Lullaby," "Star of the East," and "Adeste Fideles."

Regular work began again and for the spring concert they sang "An Old Garden," "At Twilight," and amid a candlelit scene--Schubert's "Ave Maria."

The Boys' Glee Club was once more revived this year. During the first semester there were only a few boys in the mixed chorus, and these comprised the boys' glee club. At the Christmas concert they did "Drink To Me Only With Thine Eyes" and "On the Road to Mandalay," because the size of the group had warranted more performances.

The mixed chorus was much larger this year. The first semester's results were their presentation at the Christmas Concert of "Till We Meet Again," "Little Gray Hame in the West," and "You're a Grand Old Flag."

The second semester brought more numbers and better quality to the group. For the spring concert they sang "Dear Land of Home," "My Love Dwelt in a Northern Land," and a difficult transcription by Noble Cain of "A Mighty Fortress Is Our God."

1945 LOWELLIAN CONTEST

Each year a boy and girl are chosen by their fellow students as the best looking, most popular, best athletes, and most likely to succeed in the contest sponsored by the Lowellian staff.

Each person who subscribed to the Lowellian was entitled to vote for his favorite fellow and girl who fitted each characteristic best.

This year's contest was very close. In some cases the winners only led by a margin of two votes.

The sophomore class gave us our two most popular kids, Gladys Stasaitis and Jim Weaver, who are both popularity plus and certainly deserving of their honors.

Looking now at the glamour department, we find Dick Jackson, a short, but handsome freshman, and Barbara Bailey, a cute little chick from the sophomore class. The underclassmen really do all right for themselves when dishing out glamour and popularity.

Now comes the chance for our athletes to shine. Sally Little, junior, is our best girl athlete--and why not 'cause there's not a sport that Sally doesn't excell in.

Jack Riggs, senior, was voted the best boy athlete in Lowell High. He takes an octive interest in most all sports particularly basketball in which he majored. He was elected captain of the team by his teammates.

Yes, we have a few in our school who are going to get ahead in this world and the two most likely to succeed are Mary Hasse and Dick Ready, seniors.

Mory has won this honor every year of her high school career so you can imagine that she has the characteristics to make her own place in the world.

Dick doesn't care too much for school life, but knows it's going to help him later, though. His real interest is music, especially the piano.

The entire list of contestants is as follows:

G.A.A.

Today, the aims of G.A.A., to stimulate interest in girls' health and physical education and to promote clean sportsmanship, are more important than ever before.

Each girl in G.A.A. to get a sweater, must earn 2000 points by participating in various sports. Those receiving 1600 more points get a letter. This year's sweaters were black, with white "G.A.A." trimmed in red.

On March 21, the annual initiation was held to make eighteen girls members of our organization. The newcomers formally became members by scrubbing the auditorium stage with toothbrushes and going through the paddling machine.

The big event of the year, the Mothers' Tea, took place on May 9. Several hundred girls and mothers engaged a program in the auditorium. The Home Ec. Club is co-sponsor of this activity.

Besides the initiation, the G.A.A. sponsored the Athletic Dance on May 4. The dance was in honor of our athletes.

Other important activities given by G.A.A. were sock dances, the Gingham Hop, and parties throughout the year.

This year's officers were president, Alice Widdel; vice-president, Sally Little; Secretary, Eileen Callahan; treasurer, Rita Stark. The sponsor is Mrs. Fitch.

"L" CLUB

The "L" Club was founded in Lowell High School in the year nineteen hundred and thirty-one under the supervision of Athletic Director G. J. Crowe. This club was very strong at first, but faded out after a few years; then in nineteen hundred and forty-three the "L" Club was reorganized under the supervision of Coach Mike Milakovic.

The purpose of the L club is explained in its constitution as follows:

"The "L" Club proposes a deeper interest in, and a more wholesome respect for the athletic program. It hopes to create a greater spirit, promote good fellowship, and develop loyalty among the potential athletes, as well as the letter men in Lowell District High School."

The creed of the Club, which forms R-E-D D-E-V-I-L-S, is: Responsibility, Efficiency, Determination, Dependability, Execution, Valor, Initiative, Loyalty, Sportsmanship.

The Club has certain responsibilities as follows:

1. Encouragement of and respect for school traditions.
2. To take the lead in sponsoring proper school procedure.
3. To act as monitors of athletic equipment.
4. To protect all school property.
5. To boost athletics.
6. To participate in extra-curricular activities.
7. To maintain a high standard of sportsmanship.

The Club is composed of athletes of Lowell High School who have won major letters. At present the membership is 20.

FOOTBALL

Lowell 19--Griffith 6

In the opening game of the season the Lowell Red Devils ran over the Griffith Panthers on Friday night, September 8, by a score of 19 to 6.

Griffith's only score came in the first quarter when Jones ran back a kick for 50 yards and a touchdown. The conversion was not good.

Lowell came back then and Curtis went through center just before halftime which left the game at a 6-6 deadlock.

Lowell then started again with Alm scoring two touchdowns in the third period and Duncan kicking the extra points. This was too much for the Griffith boys and it was Lowell the rest of the way.

Lowell 7--Crown Point 13

It was the Red Devils' first home appearance of the season on September 15, when they were defeated by the Crown Point Bulldogs 13 to 7.

Crown Point's first score came in the first period when McColley went over from the first yard line. The extra point by Reilly was good, making it 7 to 0.

Lowell was not to be pushed so easily around without making a firm bid, and in the second quarter they had tied the ball game at 7 to 7.

Crown Point won the ball game in the third period with Bleiweiss going over on a short plunge. The conversion was not good.

Lowell 7--Hobart 13

The Hobart Brickies came to Lowell on September 22 to hand Lowell their second defeat of the season.

Hobart scored first in the early part of the first quarter. Lowell didn't come to life until the second period when they took a 7-6 lead.

Hobart took over in the fourth quarter, when on the fourth down they gambled and threw a long pass which went for a touchdown and the victory.

Lowell 20--Kensselaer 0

The Lowell Red Devils ran the Fensselaer Bombers into a 20 to 0 defeat on the night of September 29 at Oakland Park.

Lowell's scores came in the first and fourth periods--two in the first and one in the fourth.

Lowell's line should not go unmentioned, for in the third period the Bombers were on the Devils' 25 yard line and in three plays Lowell's line had thrown them 26 yards back up the field.

Lowell 24--Monticello 12

The Lowell Red Devils journeyed to Monticello Saturday, October 14, to gain another victory in their march toward a successful season.

This game had many long runs and passes in it; most of them came from Lowell. Lowell Took the kickoff and Abraham--ran for an 85 yard touchdown.

Alm then went over in the second, third, and fourth periods to make the score Lowell 24, Monticello 12.

Lowell definately outplayed Monticello all of the way.

Lowell 6--Crown Point 7

The Bull Dogs gave Lowell their second defeat of the season from them with a 7 to 6 score.

Crown Point went over in the second quarter when Matthews skirted the right end of Lowell's line. Riley then kicked the winning point.

Lowell's score came in the third period when Alm pitched a pass to Duncon in the end zone for the score. The try for the conversion was no good.

The rest of the game was played in mid-field like most typical Crown Point-Lowell football games.

Lowell 19--Valparaiso 0

The Lowell Red Devils upset the football critics by defeating the Valparaiso Vikings on Lowell's home field October 27. The Red Devils rose to heights and played an exceptionally good ball game. Red Devil trickery outwitted the Vikings all of the way.

Lowell's scores came in the second, third, and fourth periods. The first came when Alm pitched a pass to Carstens, who was in the clear at the 5 yard line for the score. The second came when Alm went over from three yards out, and the third came when Alm again threw Carstens another touchdown pass on the fourth down.

Lowell's line never looked better and Valpo just couldn't seem to penetrate it, which accounted for their defeat.

Lowell 0--Catholic Central 0

Lowell and thirteen seniors wound up their football season by tying the Hammond Catholic Central Warriors 0 to 0 in a field of water and mud.

It was raining so hard that neither team could display their skill. Catholic Central was lost without their running attack, and Lowell was lost without their passing attack which just couldn't be used in the mud and rain.

Lowell however was only one foot from the goal line once but just couldn't make it, and the game ended in a muddy tie of 0 to 0.

TRACK

This year's track team jumped off to a good start by winning the first two meets and placing second in the third.

A temporary track has been set up around the old football field, as the new field behind the school has not yet reached completion.

The first meet with Crown Point and Griffith did not prove to be much of a contest, and Lowell walked away the winners with the score of Lowell 80 1/3, Crown Point 39 2/3, and Griffith 18.

The next meet proved to be a better match for our high-spirited boys. North Judson was only a point and a half behind with only the two relays left to be run. Lowell won the mile relay and won first and second position in the half mile relay. The score ended Lowell 70, North Judson 53.5, and Hebron 11.5.

Roosevelt of East Chicago was the winners of our next meet which was held at Edison, East Gary. Lowell placed second.

Points are distributed according to where the player places in an event. In all events except the relays, the winner receives 5 points, second place receives 3 points, and third place winner receives 1 point. In the mile and half mile relays, the winning team receives 10 points and the second and third place winners receive 6 and 2 points, respectively.

INTRAMURAL SPORTS

Since the start of the war a vigorous athletic program has been set up to condition the boys for the armed services.

Commando basketball has proved to be one of the most liked sports. The object of this game is to make baskets with a soccer ball or football and anything goes.

A basketball contest, sponsored by the "L" Club, made up most of the winter's sports. A team was chosen from each home room and a captain was selected. When the season came to a close, Mr. Burger's home room was the winner with an undefeated season, while Mr. Du Bois' home room ran a close second.

The boys and girls alternate using the gym; the girls used it to play hitpin, volley ball, and basketball. The Junior girls won the hitpin and volley ball contests, while the Sophomore won the basketball tournament.

The highlights of the year were when the Junior girls were challenged by the Junior boys, and when the Senior girls played the women faculty members. The Junior boys swarmed over their opponents, but the faculty could not prove a match for the Senior girls.

BASKETBALL

Lowell 26--Crete 22

The Lowell Red Devils started off the '44-'45 basketball season on the right foot as they beat Crete on their own floor.

Crete led until the final two minutes to play when baskets by Corstens, Alm, and Duncon put the game on ice.

Lowell 31--Kouts 45

Lowell suffered their first defeat at the hands of the Kouts Mustangs in their first home game.

Kouts easily won on their ability to make long shots. Almost every time they shot they made a basket.

Lowell 37--Hebron 28

Lowell easily scored its second triumph of the season over the Hebron Hawks.

Lowell led throughout the whole game but Hebron, led by Anderson, put up a good fight in the second half.

Anderson scored 18 points for Hebron, while Riggs scored 11 points for Lowell.

Lowell 39--Hobart 33

Lowell had the decided edge throughout the first half which ended with the score of 22 to 13.

In the third quarter, Stratton and Luke of Hobart got hot and bounced ahead to a three point lead.

Alm's under-the-basket-shots and Carsten's one-handed shot put the game on ice and the final score was 39 to 33.

Alm and Corstens scored 13 points apiece for Lowell and Luke of Hobart scored 15.

Lowell 53--Grant Park 27

Grant Park bowed to the Devils as they ran their winning streak to three in a row.

It was strictly Lowell all the way, and Coach DuBois used all the players on the team.

Carstens and Alm led the scoring with 18 and 17 points respectively.

Lowell 27--Crown Point 30

The Red Devils' hopes held good to make it four straight victories as the half time score was 14 to 11.

Because of Lowell's coldness, caused by not having practiced, the Bulldogs went on to a victory.

Chalk this victory up to the weather because it kept Lowell from having school.

Lowell 35--Morocco 31

Lowell came up against a scrappy Morocco five and walked off the floor with only a four point victory.

Both halves were played on even terms with Lowell gaining 2 points in each half.

Carstens who had only one point in the first half came through in the second with 17 points to help the Devil's cause.

Lowell 47--North Judson 38

Jack Riggs hit the high scoring mark of the season by dumping in 26 points.

Lowell played perfect ball and was once again on the winning side.

Lowell 34--Hobart 28

The Devils made it two victories for this year as they again beat Hobart in their cracker-box gym.

Bob Alm broke into the scoring column this time and garnered 13 points.

Lowell 48--Grant Park 29

Lowell traveled to Grant Park to walk away with their second victory for the year from the hard fighting Warrior team.

Lemon led Grant Park's attack with 16 points, while Riggs boosted Lowell with 13 points.

Lowell 29--Griffith 28

The Lowell Red Devils went up against a much taller Griffith team, but squeezed by with a one point victory.

McVey, Griffith's 6' 5" center just about beat the Devils himself as he poured in 16 points. Carstens led the Devils' scoring with 13 points.

Both teams played good ball but Lowell was ahead when the gun went off.

Lowell 37--Merrillville 48

The Pirates of Merrillville journeyed to Lowell to break the Devils' winning streak and to hand out one of the worst defeats suffered by Lowell this year.

The Pirates were ahead the whole game. At the half Lowell only trailed by 4 points, but the Pirates poured in several baskets in a row and were never in trouble again.

Metcalf and Ford scored 33 of the Pirates 48 points.

Lowell 39--Dyer 27

Lowell led throughout the whole game except for the first few minutes when Dyer scored the first basket.

Coach DuBois played the second string with the start of

the second quarter and the half score ended 13 to 8.

The Indians made their last desperate bid in the third quarter and from then on the score steadily rose.

Lowell 26--Catholic Central 41

Catholic Central with their fast-breaking Matt Kerger, ran up a 27 to 18 half time score over the Lowell five.

Lowell played better ball in the second half but could not overcome Central's big lead.

Kerger was the main gain for Central with 17 points, while Riggs garnered 10 points for Lowell.

Lowell 36--Griffith 40

With the help of the two conspiring referees, the Griffith five was able to scrape by with a four point margin to even this year's games at one apiece.

At half time Lowell had a one point margin but Griffith won over in the last few minutes.

Lowell 41--Merrillville 39

In a thrilling double-overtime game Lowell managed to squeeze into the victory column with Alm's left-handed push shot.

At the end of the first quarter the score was 10 to 10, but the Pirates managed to gain a 23 to 18 lead at the half.

Merrillville continued to lead until late in the final quarter when Lowell got hot. When the gun went off the score was 34 to 34.

In the overtime, each team scored 5 points leaving the score tied 39 to 39. In the double overtime, Alm sunk the winning basket with about 20 seconds of the overtime game.

Lowell 40--Crown Point 22

Lowell journeyed to Crown Point and got ample revenge for the early season defeat.

The first half was played on an even basis with the half time score being 14 to 13 in favor of Crown Point.

The Red Devils again proved themselves to be strong finishers and outscored the Bulldogs 29 to 8 in the last half.

Riggs led Lowell's scoring with 18 points.

Lowell 48--Portage 38

During the first half Lowell managed to gain a 17 to 16 lead over the Portage Indians.

As usual the Red Devils played better ball in the second half and quickly jumped to a 40 point lead.

Some of the audience drew a technical foul for yelling at the referee.
